Did You Know?

## 2016 Pastoral Visitations for Members

As your pastors our first commitment and responsibility is to you, the registered members of City on a Hill. Normally, we would come to your home or meet you at a café/restaurant or invite you over to our home, but next year we hope you can accommodate our schedule and come to our offices at church. It is our goal to meet with every one of our registered members in 2016. For many of you, it has been a long time since one of your pastors sat down with you. Think of these visitations as a spiritual check-up. As your pastors, we want to see how you are doing in your relationship with Christ and your walk with God. We want to encourage you, speak the truth in love to you and of course pray for you. We want to better serve you and our church through the deepening of our relationships. It would mean so much to us if you would help in making these visitations happen. By you coming to us, we will be able to reach our goal of meeting with all our members. As much as you love to show hospitality to us in your homes, and we surely love that hospitality, for this coming year, you are off the hook!!

Here's how it's going to work:

1. Each visitation will be one hour.
2. All our meetings will be at the church office.
3. All Poiema students will meet with Pastor Tim.
4. All Emerge are encouraged to meet primarily with Pastor Woohyun, but you are also free to meet with Pastors Jane or Peter.
5. All deacons' families will meet with Pastor Peter.
6. All married, family, and Emerge35 people will meet with either Pastor Jane or Pastor Peter. If you are married, arrange a time where both of you are able to come. We want to see both of you!!
7. Schedules for visitations for the months of January - March will be available now. The visitation schedule for April – June will be made available in March and so on. As a signed member, you should have already received, via e-mail, a link to a form for each pastor's visitation schedule that could be filled out on-line . If you did not receive this e-mail, please contact [office@coahtoronto.com](mailto:office@coahtoronto.com)
