Did You Know?

One of the Largest Unreached People Groups in the World

Muslims

They are called by many different names:
Ndzwani, Jat, Uighur, Aceh, Sanaani, Aimaq...

They speak many different languages:
Urdu, Bedawiyet, Pashto, Kabardian, Malay, Baloch

They live in many different countries:
Sudan, Indonesia, Iran, Eritrea, Algeria, Pakistan

But they have two things in common:

1. They are 100% Muslim
2. They have not yet been reached with the Gospel of Jesus Christ

Around 1,506,000,000 individuals consider themselves Muslims

About 3,300 people groups in the world follow Islam

Approximately 2,700 of these are considered "Least Reached" (82%)

Islam is the second largest religion in the world.

More than a third of the world's least reached people groups are Muslim.

Islam is the fastest growing major religion in the world

Who will reach them?

JoshuaProject.net

The infographic features several images: a woman in a blue hijab, a man with a green turban and beard, a man in a white turban with hands raised, and two women in blue and purple burqas walking away.
