## **Life Group Sermon Based Questions**

### **"Eating When You're Not Hungry"**

**(John 6:26-71)**

**Pastor Peter Yi**

**June 17, 2018**

Please begin your discussion by going through the New City Catechism (#25). As the leader, read the question and have the group respond by reading the answer and Scripture together out loud. Then go around the room and read the commentary. If children are present, please include them too. Remember you can use the book, the phone app, or the browser website. Conclude with the prayer together.

Hello LG Leaders,

We are near the half way point of the year already and approaching the summer months. I am grateful for you and pray that you will continue to faithfully lead your groups to God through his Word.

Here are the questions:

1. How many times in the text is there a reference to Jesus as the Bread of Life? Take a look also at John 4:7-15. What does Jesus compare himself to in this passage? When you put these two images together, what does it tell us about Jesus and what he offers in his own person?
2. What is the significance in Jesus claiming that he is from heaven?
3. What is the promise that Jesus gives us?
4. Of all the meanings of eternal life from the gospel of John, which of them speak to you the most deeply? In what way?
5. What needs to happen for us to receive eternal life? [God has to draw us to Jesus, but also don't forget that our responsibility is to repent and believe].
6. Consider your own salvation story. In what way did God draw you? What sovereign steps occurred in your life, that now, in looking back, you see the hand of our sovereign God? Briefly share.
7. Even though we know that God must draw people to Christ, how does this truth make us even more zealous and determined to share the Gospel with our friends and family?
8. Spend time giving thanks for God's salvation and also that our friends would be saved.
