No	3	26	31		5	65

More than half our members have shared the gospel in 2018!

## How Confident Are You in Articulating the Gospel?

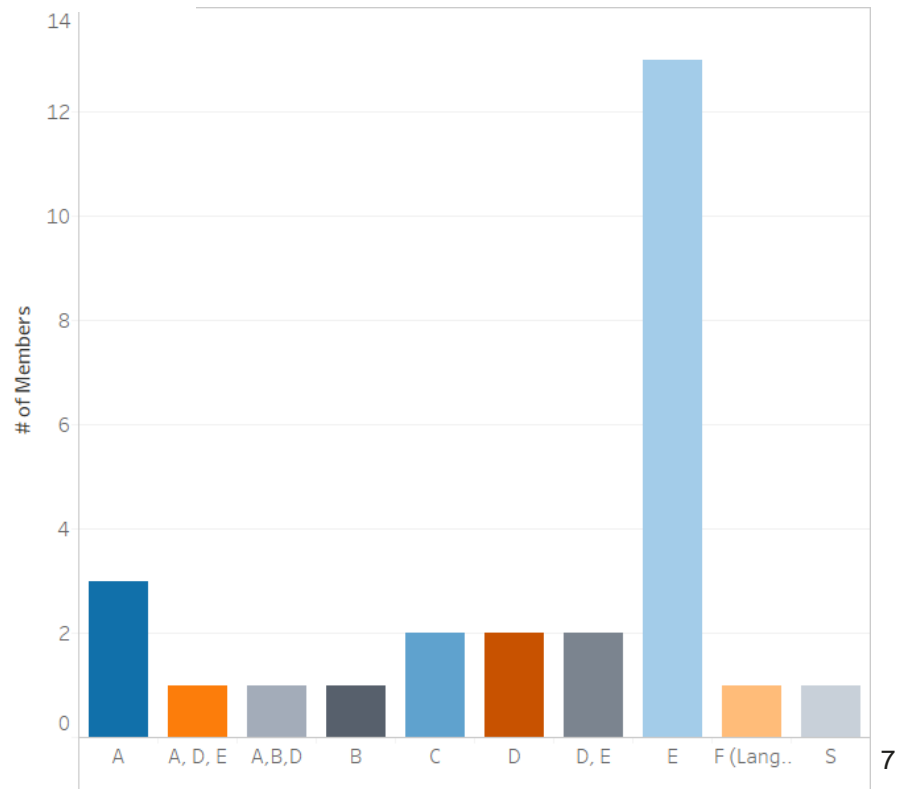

Members who lack confidence find that evangelism is only slightly important, not important, or just one of many other priorities.

## Do You Know How to Evangelize?

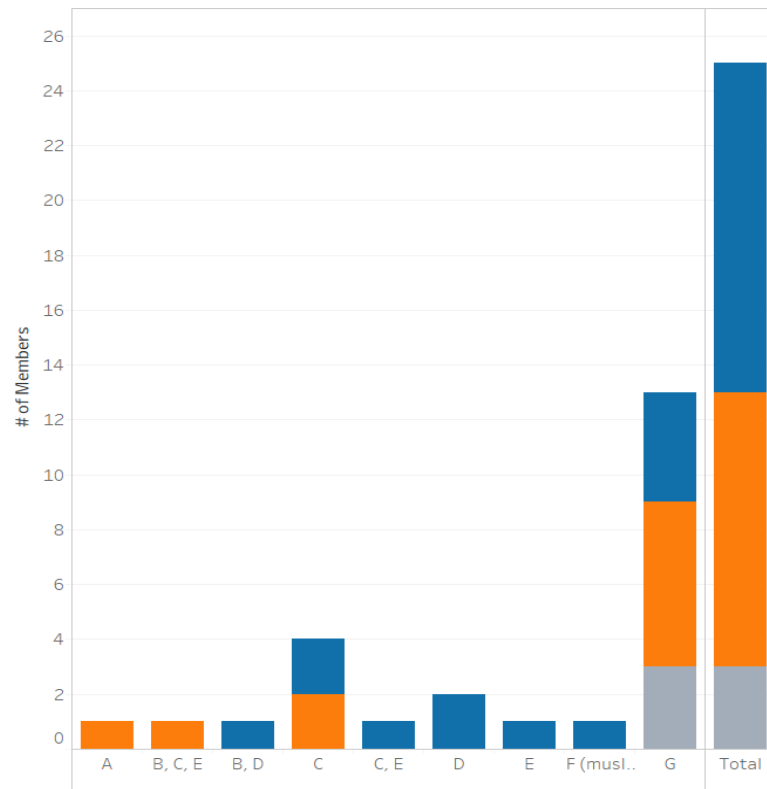

The greatest challenge for 30-39 year old members not being involved in evangelism is a feeling of inadequacy, not busyness.

## Did You Know We Have Resources?

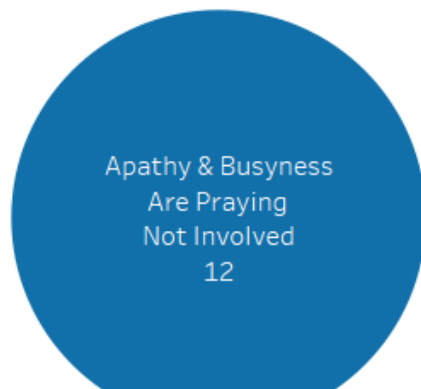

A significant number of members who felt inadequate in evangelizing have never used any resources offered by the church.

## At Least We're Praying

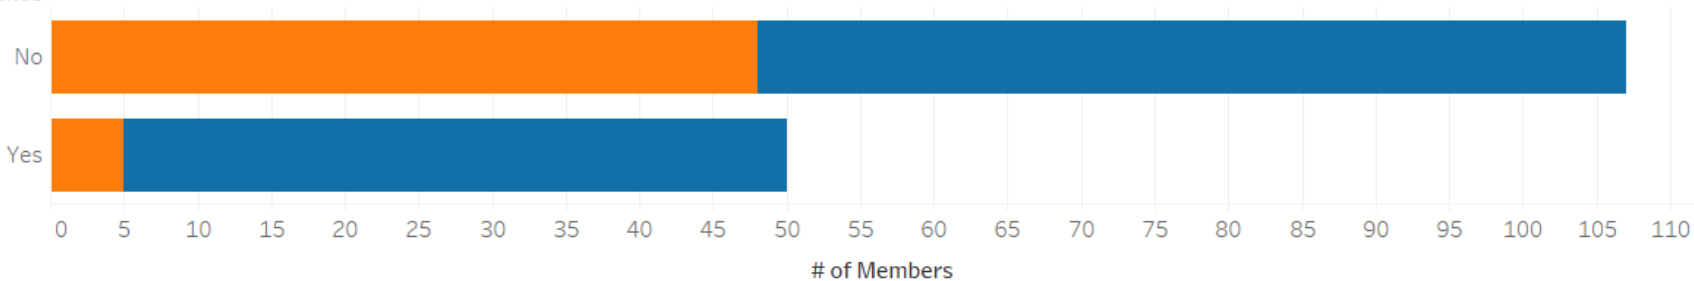

Out of those who pray regularly,  
almost 41% are not engaging in  
evangelism

## Finding Friends

New Friends

Prayer (group)

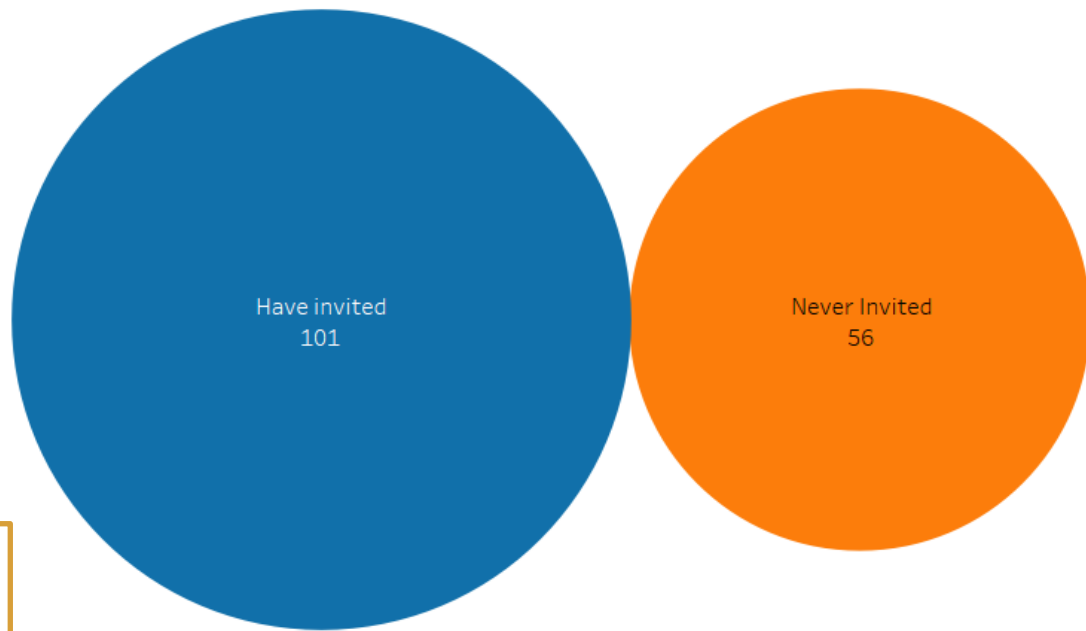

■ Are Praying

■ Hardly Praying

Members who have cultivated a new friend are praying for them.

## Extend Invitations

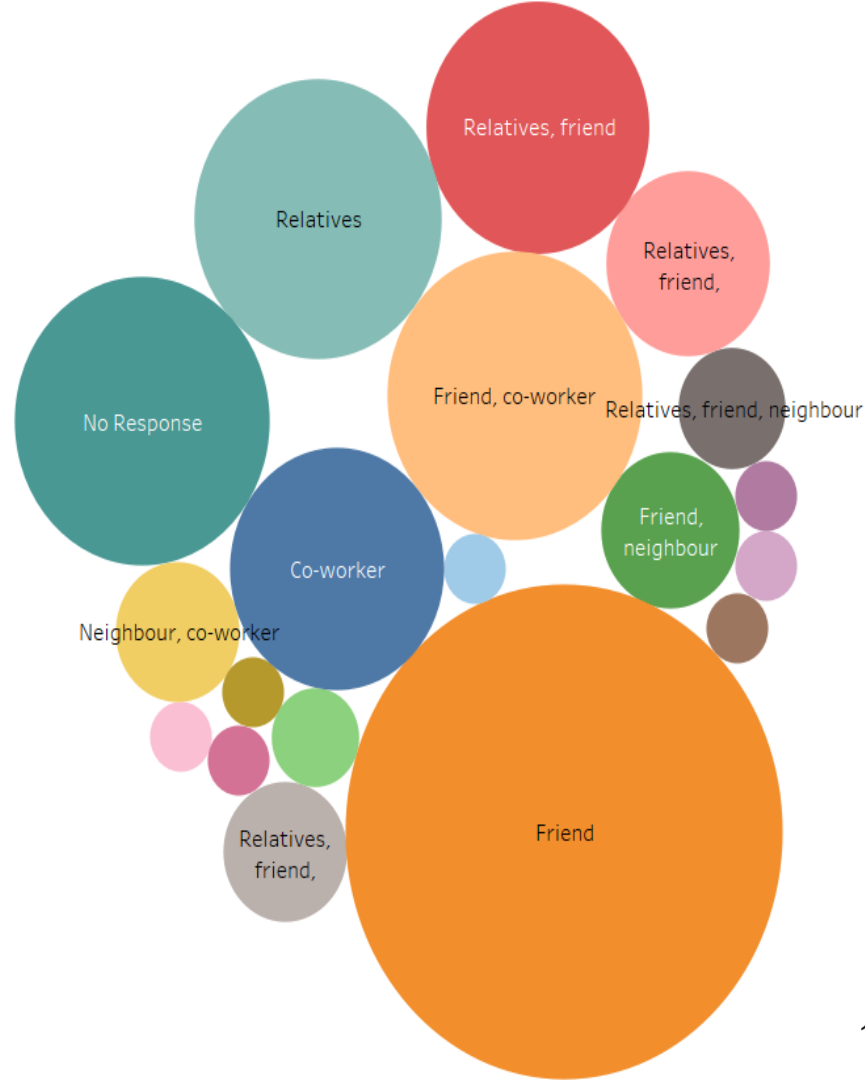

Two thirds of the respondents have invited someone to church.

## Who Are We Reaching? -

Many of us are reaching our friends and family. But not we aren't reaching our neighbours.

## How We Will Help You
