

We now have online giving

Important Information

- It's Totally Safe and Secure: The giving portal is fully compliant to the stringent Payment Card Industry (PCI) security standard.
- Payment Method is by Credit Card: this is the only method of payment currently offered. There is the possibility of direct bank transfer (EFT) method in the future.
- There is a 1.9% "Convenience Fee" that will be added per transaction: with much research, we found our provider to be the lowest in the industry. CoaH will receive 100% of your offering. For example, if you give \$100, an additional \$1.9 will be applied to your credit card, but the church receives the full \$100; this will also be reflected in your tax receipt. We will leave it to you to make adjustments to your giving if you so choose.
- Your Account will be Created: when you give for the first time you will prompted to enter your email. You will be asked to enter a password. Once you do this, your account is created and you can go into your account any time using the same email and password.
- A Tax Receipt will be automatically generated and sent to your email when your offering is made. You will also receive a final tax receipt for the full year donation.

IMPORTANT NOTICE

ALL church gatherings continue to be suspended. The Session waits for Government word indicating safety to worship together again. The church building is officially closed. See below for more information including on our online 2pm worship service.

Important Notice: 🖈 Sticky 🛛 🖨 News

Since March 14, the Session has decided to cancel ALL church gatherings. This decision was made in light of the Ontario Health Minister mandating that gatherings of over 5 persons be suspended. This is the right decision in following with Romans 13, which commands that Christians to submit to our God-ordained government authorities. The Session waits for Government word indicating safety to worship together again and we will keep you updated when this suspension is lifted. The church building is officially closed.
