---

City on a Hill will only officiate the marriages of two Christians or two non-Christians — between one man and one woman. We will not officiate the marriage of a Christian and a non-Christian. Same sex marriages are not Biblical and will not be performed at City on a Hill / Young Nak Church.

### ***A non-Christian Marriage***

Because marriage is an institution introduced by God at the time of creation, it is a good thing for all of humanity, and not just for Christians. So, if you are a couple visiting/attending our church, but have not yet become Christians, you may be married at City on a Hill / Young Nak Church.

### ***A Christian Marrying a Non-Christian***

The scriptures make it plain that a Christian is to only marry another Christian and must not marry one who is not of the same faith. There are many scriptural references to prove this statement.

*(Deu 7:3-4; Neh 10:30; 1 Cor 7:39; 2 Cor 6:14-16)*

### ***Remarriage After an Illegitimate Divorce***

If a Christian obtains an illegitimate divorce, a remarriage may not be officiated.

Please consult your pastor to discuss any of these matters further.  
Please visit [coahtoronto.com](http://coahtoronto.com) for wedding and marriage guidelines.
